If you are new to weaving and need help getting started, then you're in the right place!

I'm the person behind this book. Back when I started trying to weave, there weren't many resources available. I put a lot of time into researching old books and experimenting and wanted to share what I had learned. Weaving is such a fun and meaningful art form that I wanted it to be available to others to enjoy too. I started this book as a way to share weaving techniques that I have learned through my experiences.

This book is a round-up of a lot of the projects I've covered over the years. Especially the projects that are important to beginner's.
