## 2. FastPass+ Reservations for the Win

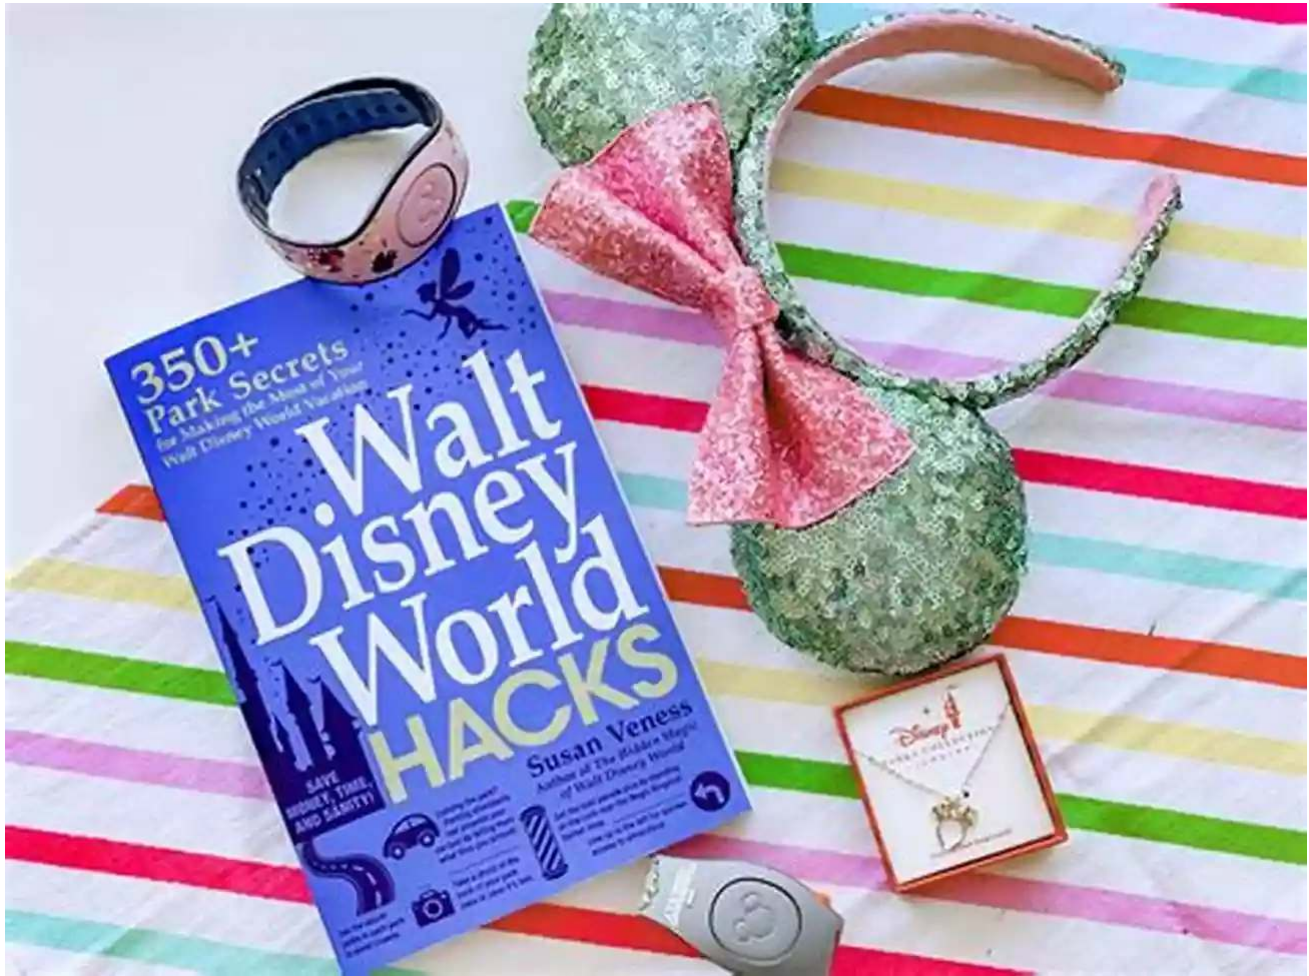

Don't waste your precious time waiting in endless queues. With FastPass+ reservations, you can skip the lines and enjoy your favorite attractions without the hassle. Make your selections online or through the My Disney Experience app well in advance to secure your spot. Whether it's flying with Dumbo or sailing with Pirates of the Caribbean, taking advantage of FastPass+ will maximize your fun and minimize your wait time.

### **3. Mobile Ordering: Food at Your Fingertips**

Feeling hungry after all those magical adventures? Skip the lines at the dining locations by using the Mobile Ordering feature available through the My Disney Experience app. Simply browse the menus, place your order, and pick it up at the designated mobile ordering locations. This hack not only saves you time but also allows you to enjoy your meal at your own pace and in your preferred location.

#### **4. Character Meet and Greet: Timing Is Everything**

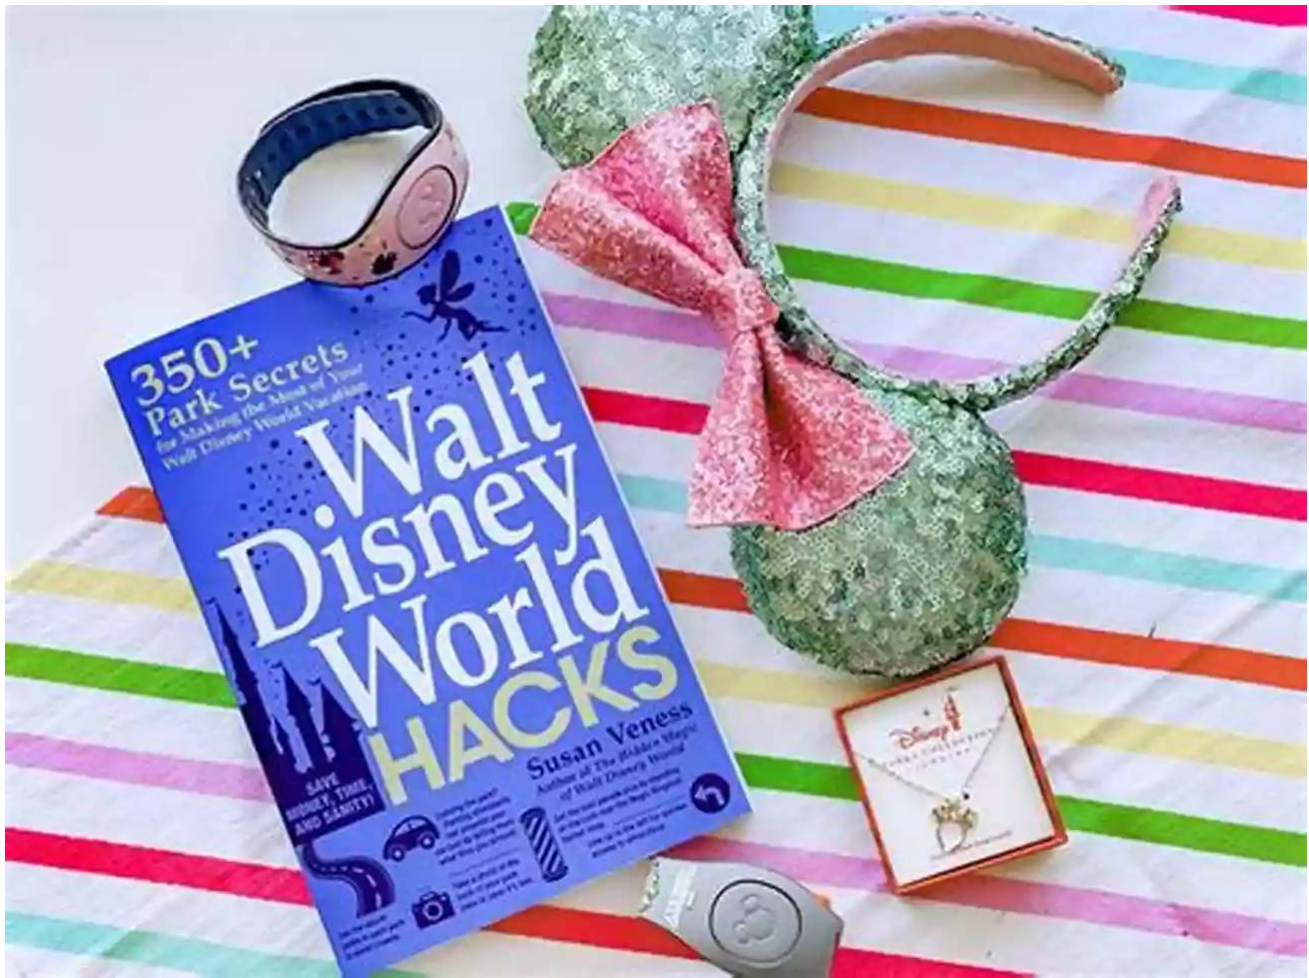

Meeting your favorite Disney characters is one of the highlights of any Disney trip. However, the lines for character meet and greets can be long, and the wait times can be quite substantial. To avoid the crowds, try to plan your character meet and greets during parades or shows when many visitors are occupied elsewhere. This way, you can spend quality time with Mickey, Minnie, and others without wasting hours in line.

## 5. Discover the Hidden Mickeys

No Disney adventure is complete without searching for the legendary hidden Mickeys! These iconic symbols are subtly scattered throughout the parks and resorts, adding an extra layer of fun and adventure to your visit. From plates to street signs and even in the most unexpected places, keep your eyes peeled for those delightful Mickey shapes. You never know where they might pop up!

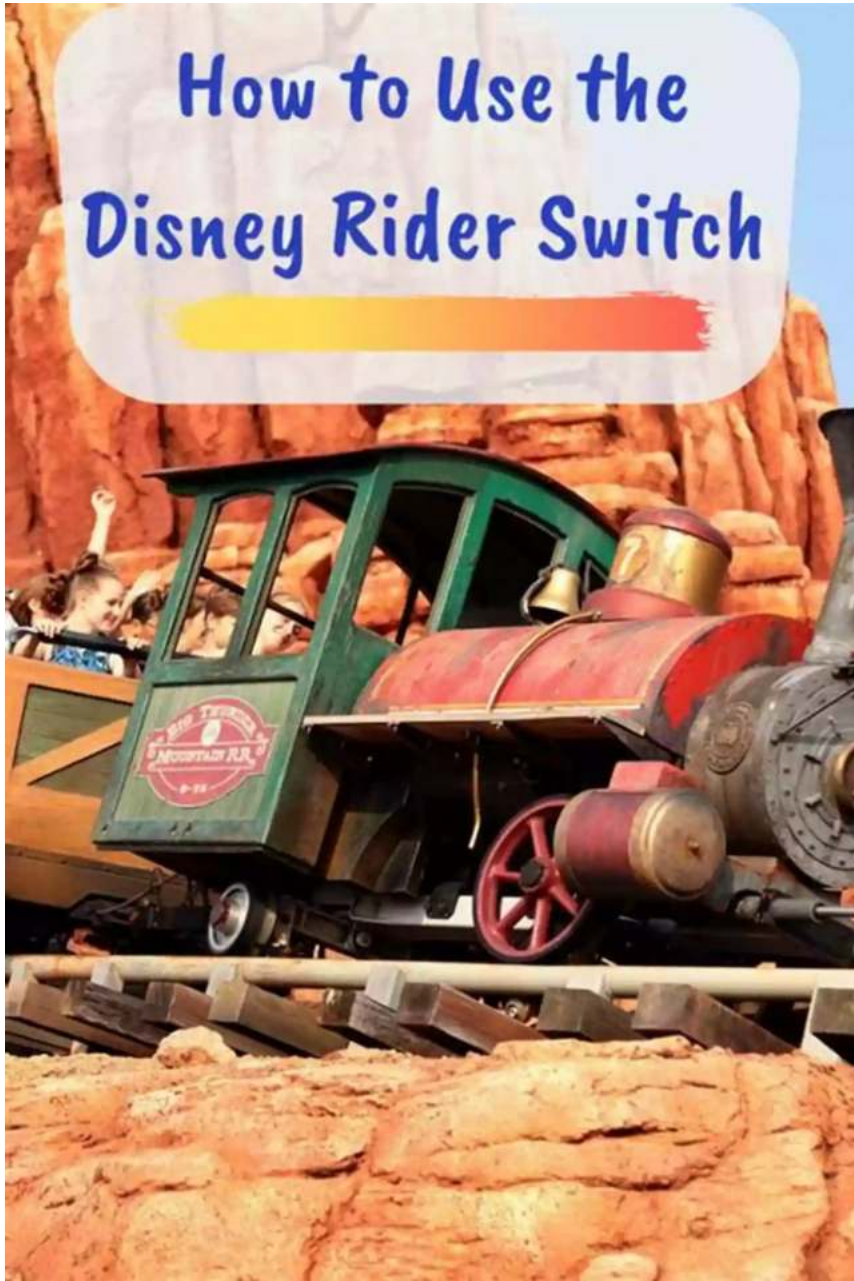

## **6. The Power of Extra Magic Hours**

If you're staying at a Walt Disney World Resort, you have the magical advantage of Extra Magic Hours. These additional park hours allow resort guests to explore select attractions and lands before or after regular park hours. Take full advantage of these extended hours to experience popular rides with shorter queues and enjoy the enchantment of the park in a more relaxed setting.

## **7. Save Time with Rider Switch**

# How to Use the Disney Rider Switch

Traveling with little daredevils who might not meet the height requirements for certain attractions? No worries! Utilize the Rider Switch program, which allows one adult to wait with the non-riding child while the rest of the group enjoys the thrill ride. Once they're done, the waiting adult can take their turn without having to wait in line all over again. It's a win-win, saving time and allowing everyone to have a magical experience.

## 8. Explore the Resort Hopping Experience

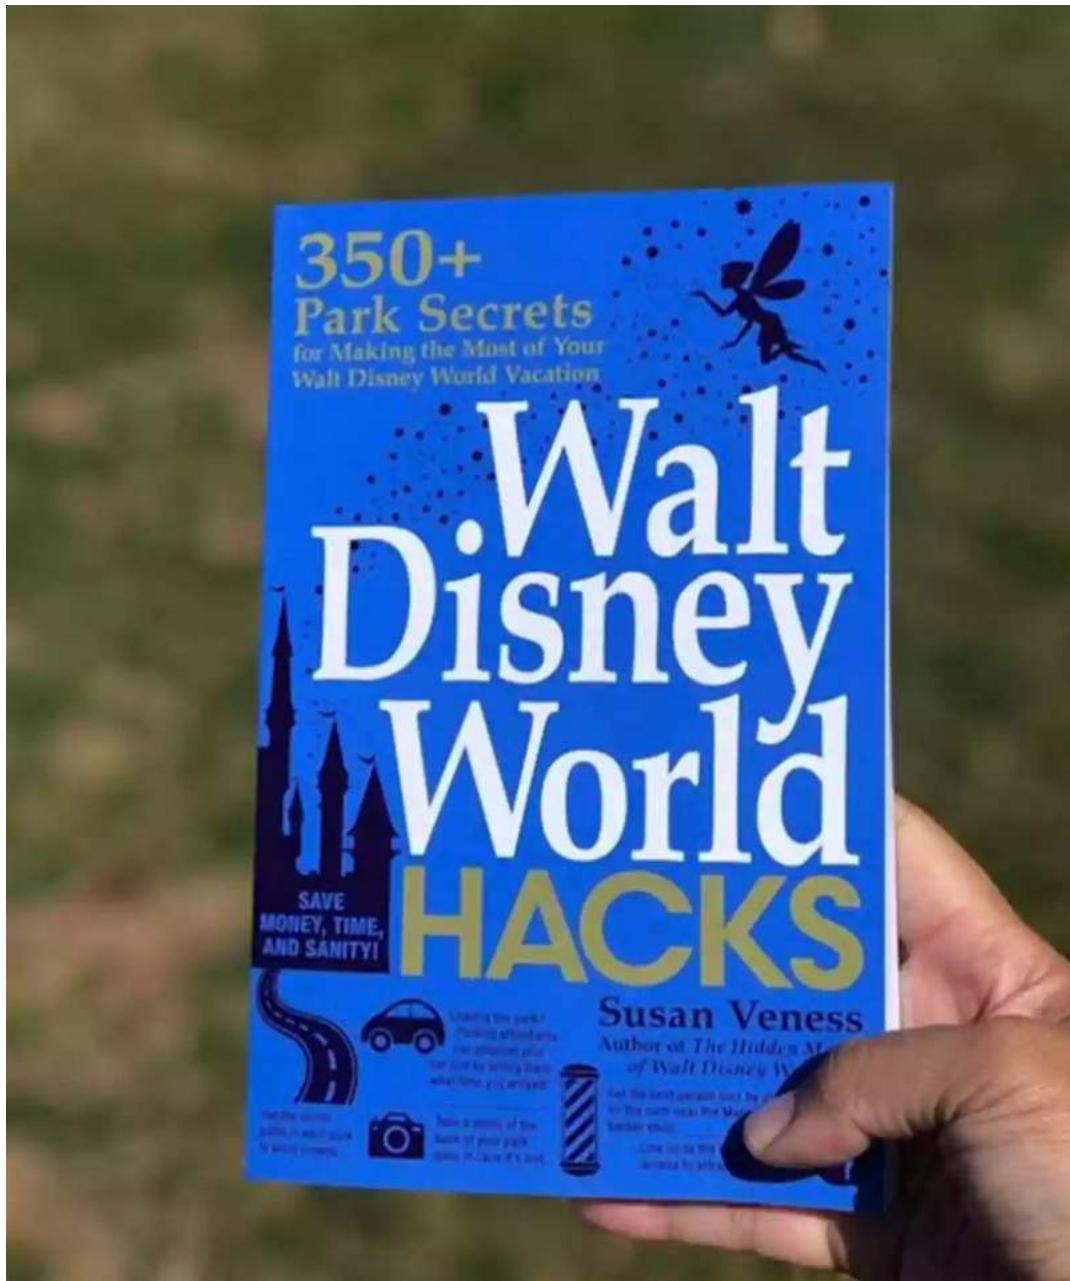

Did you know that Walt Disney World has multiple breathtaking resorts? Take some time to explore various Disney resorts, even if you're not staying at them. Each resort has its own unique theming, dining options, and entertainment, offering a delightful break from the hustle and bustle of the parks. From the grandeur of the Grand Floridian to the African-inspired Animal Kingdom Lodge, resort hopping adds an extra touch of magic to your Disney experience.

## 9. Stay Hydrated and Save Money

With all the excitement and adventure, it's important to stay hydrated during your Disney trip. Instead of purchasing expensive bottled water, bring your own refillable water bottles. There are plenty of water fountains and water bottle refill stations throughout the park. Staying hydrated not only keeps you refreshed but also saves money, allowing you to splurge on other magical souvenirs or treats.

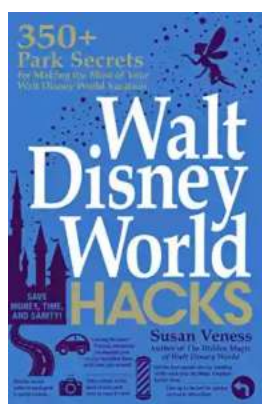

## 10. Be Prepared for the Weather

Florida's weather can be unpredictable, so be prepared for any conditions during your Walt Disney World adventure. Pack sunscreen, hats, sunglasses, and lightweight clothing for those hot, sunny days. And don't forget to bring ponchos or rain jackets for the occasional Florida showers. By being prepared for the weather, you can ensure a comfortable and enjoyable experience throughout your Disney journey.
