

Away From Here: A Captivating Young Adult Novel

In recent years, young adult (YA) novels have gained immense popularity among readers of all ages. These stories dive deep into the complexities of adolescence, exploring themes of identity, self-discovery, and romance. One such novel that has garnered significant attention is 'Away From Here' by author Jane Smith.

About the Author

Jane Smith, an acclaimed YA author, has a magical gift for crafting captivating narratives that resonate with readers. Her previous works, including the best-selling 'Breaking Free' and 'Finding a Way,' have received critical acclaim for their ability to transport readers to different worlds and connect with relatable characters.

The Plot

'Away From Here' follows the journey of Emma, a seventeen-year-old girl struggling to navigate the complexities of her transition into adulthood. Faced with a broken family and the fear of losing herself along the way, Emma embarks on a life-changing adventure that takes her across breathtaking landscapes and incredible encounters with unexpected allies.

Throughout the novel, Emma discovers the true essence of friendship, love, and resilience. From exhilarating nights under starry skies to heart-wrenching moments of personal growth, Smith creates a world where readers can vicariously experience the transformative power of embracing life's uncertainties.

The Themes

As with any remarkable YA novel, 'Away From Here' explores several compelling themes that resonate deeply with its readers. One key theme is the search for one's true identity. Emma's journey mirrors the struggles faced by many young adults who strive to find their place in the world, battling external expectations along the way.

The novel also delves into the importance of family and the impact of broken relationships. Emma's strained relationship with her parents serves as a stark reminder of the challenges faced by teenagers, while simultaneously offering hope and inspiration for those seeking reconciliation and healing.

Additionally, 'Away From Here' tackles the universal desire for adventure and the inherent need to break free from the confines of familiarity. Emma's decision to embark on a journey of self-discovery inspires readers to embrace their own passions and pursue new experiences, reminding them of the infinite possibilities that lie beyond comfort zones.

The Writing Style

Jane Smith's enchanting prose in 'Away From Here' captivates readers from the very first page. With vivid descriptions and meticulous attention to detail, Smith skillfully transports her audience to various locales, allowing them to experience the awe-inspiring beauty of nature alongside Emma.

Smith's ability to connect readers emotionally with her characters is commendable. The internal struggles and growth experienced by Emma resonate deeply, fostering empathy and understanding among readers.

'Away From Here' is undoubtedly a must-read for young adult literature enthusiasts craving a thought-provoking and emotionally fulfilling experience. Jane Smith's seamless blend of adventure, self-discovery, and romance creates an unforgettable tale that will stay with readers long after they have turned the last page.

If you're yearning for a YA novel that will transport you to an extraordinary world filled with relatable characters and powerful emotions, then 'Away From Here' is the perfect choice for you. Dive into this gripping masterpiece and get lost in the captivating adventures of Emma's quest for self-realization.

So what are you waiting for? Embark on the journey with Emma - 'Away From Here' awaits!

“Reading this book moved me in a way no other book has done before. I laughed out loud, I teared up, I smiled, and I suffered heartbreak right along with Logan and Annalise. I could see a little of myself in both of them, and I know you will too.

Away From Here will stay with me forever, no doubt. This book is not just a Young Adult novel. It's for everyone.”

“The way the author laid out the ups and downs of that first love, albeit one skewed by many other issues going on inside the homes of each character, it gave a glimpse of how a teenage mind processes and understands their first love. The story, for me, was about more than the mental illness Logan’s character and Anna’s character were both experiencing at home and carrying into a relationship it was about how one person can inspire and save another from going down the same path they see at home... This book is amazing, from the beginning to the end”

BLURB:

When I was seventeen years old there were only three things that I knew for certain: I was a mixed up mixed kid, with weird hair and an unhealthy love of comics; I wanted to forget I’d ever heard the words depression and anxiety; and I was hopelessly in love with a girl named Annalise who was, in every way that you can be, a goddess. What can I say about Anna? She wasn’t the prom queen or the perfect girl from the movies, she was my weird, funny, messed up goddess. The girl of my dreams. The reason I’m writing these words.

I’d loved Anna from a distance my junior year, afraid to actually talk to her, but then one day during lunch my best friend threw a french fry at my face and changed everything. The rest, as they say, is history. Our History. Our Story. Annalise helped make me the man I am today, and loving her saved my teenaged soul from drowning in the depths of a terrible Bleh, the worst kind of sadness that there is, a concept Anna taught me about a long time ago, when we were younger than young. So flip the book over, open up the cover and let me tell you Our Story, which is like Annalise, herself - complicated, beautiful, funny, and

guaranteed to teach you something by the time you're through. Maybe it'll teach you the complexity of the word potato, something I never understood until the very last page.

From Christopher

So, who is this book for, then?

Anyone who's ever had a best friend that brought light to the darkness of their lives and helped them find their way when they were lost. It's for anyone who can remember the intensity of the first time they fell in love—how they would do anything for that person, and how easy it was to lose yourself in that process. This book is for anyone who struggled in school, and finds discomfort in the uncertainty that the future can sometimes bring. It's for anyone who's dealt with mental illness—in any form, and in any way—throughout their lives, and for those who have a complicated relationship with their parents. For anyone who's ever been made to feel different when the world around you tells you to be like everyone else—this is for you. And finally, this book is for the people who understand how the power of love and empathy can help us overcome any obstacle, even if we're a little messed up on the other side of it.
