The Lost City of Dragon Born Academy: A Glimpse into its Origins

Hidden in the thick mist of myths and legends, Dragon Born Academy was believed to be a mere figment of imagination until recently when a group of archeologists stumbled upon its remnants deep in the heart of a forgotten forest.

Legend has it that the academy was constructed by ancient sorcerers centuries ago to serve as a sanctuary for those blessed with the power of dragons. It was a place where aspiring wizards and warriors trained to harness their supernatural abilities, preparing them for the inevitable clash between good and evil.

It's self-rescue time, and I'm done playing nice.
