Trusted guidance on meeting Ms. or Mr. Right

With new and updated content, *Dating For Dummies*, 3rd Edition includes all the information you'll need for navigating the contemporary, social media driven dating scene where women and men Google potential dates beforehand, Tweet after, and even meet on Facebook. You'll find all you need to use these social media sites and take advantage of the ever-expanding ways to socialize, flirt, and date in the 21st century. With dating advice for singletons in all stages of life (including baby boomers), you'll get the confidence to date someone who is significantly older or younger, someone who has been previously married, or someone with children. Author Dr. Joy Browne, America's favorite psychologist, demystifies the whole dating process, from getting a date, plotting the place, and having a great time (or dealing with duds) to moving beyond a first date toward a budding relationship.

- Confidence boosters to help meet, date, and start a relationship with Mr. or Ms. Right

- Safe tips and advice on using social networks like Facebook and Twitter to meet new people
