Unlock Iceland's Hidden Gems

Iceland has become increasingly popular among tourists in recent years, but there are still hidden gems waiting to be discovered. Frommer Easyguide takes you off the beaten path and introduces you to lesser-known attractions and experiences that will leave you in awe:

1. Exploring the Ice Caves of Vatnajökull Glacier

Vatnajökull Glacier, the largest glacier in Iceland, harbors a secret world below its frozen surface. Venture into the mesmerizing ice caves, sculpted by nature, and soak in the ethereal beauty. Frommer Easyguide will help you find reputable tour operators and provide essential tips for a safe and unforgettable ice cave exploration.

2. Hiking in Þórsmörk Nature Reserve

Þórsmörk, the Valley of Thor, is a hidden oasis nestled between glaciers. Embark on a hiking adventure, immersing yourself in dramatic landscapes, picturesque canyons, and roaring rivers. Frommer Easyguide offers detailed trail descriptions and safety advice, ensuring you have a memorable and safe experience in this awe-inspiring wilderness.

3. Soaking in the Mývatn Nature Baths

While the Blue Lagoon is a popular hot spring attraction, Mývatn Nature Baths offer a more serene and authentic experience. Frommer Easyguide highlights the rejuvenating qualities of these geothermal pools and provides information on timings, entry fees, and nearby attractions to complete your perfect day of relaxation.

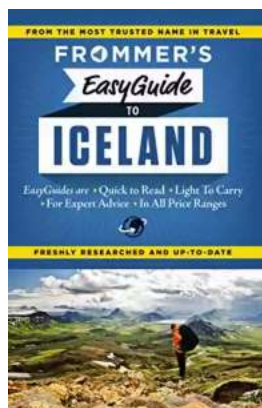

4. Exploring the Westfjords' Remote Beauty

The Westfjords, a remote and untouched region of Iceland, boasts rugged cliffs, sweeping fjords, and enchanting wildlife. Let Frommer Easyguide lead you through this off-the-beaten-path wonderland, providing you with insights on scenic driving routes, charming villages, and rewarding hiking trails.

Guidebooks to Iceland are currently on every list of guidebook best-sellers, and will now be joined by a powerful new entrant written by an acknowledged and

heavily-published expert on the subject. He is Nicholas Gill, an outstanding journalist, whose writings on Iceland have been prominently featured in The New York Times, The Wall Street Journal, the Los Angeles Times, Food & Wine magazine, and many other notable publications. His subject, the nation located just south of the Arctic circle but warmed by the Gulf Stream (and thus moderate in climate), is increasingly regarded as a place of multiple attractions that extend far beyond Reykjavik to nearly a dozen other towns, and to breathtaking nature including swimmable thermal springs.
