Cam Jansen, a smart and curious second-grader, has an amazing gift: her photographic memory. She can remember every detail she sees, making her an invaluable detective-in-training. In this particular book, Cam and her best friend Eric Shelton discover that their regular teacher, Mrs. Benson, is absent, and a substitute teacher takes her place. Little do they know that this seemingly ordinary day will soon turn into an extraordinary adventure.

As Cam observes her classmates and the substitute teacher, she notices something odd about her fellow students' behavior. They seem agitated and anxious. Her keen observation skills instantly raise a red flag, and she knows that something is not right. Determined to uncover the truth, Cam teams up with her trusty sidekick, Eric, and starts interrogating her classmates to gather crucial information.

Each encounter with her classmates becomes a vital clue that leads Cam closer to solving the substitute mystery. With every new piece of the puzzle, the tension in the story rises, leaving readers on the edge of their seats. The mysterious events happening before Cam's eyes push her photographic memory to its limits, but she stays focused on her objective – to uncover the truth.
