Eighteen-year old Daria Jones feels trapped in the cow-strewn suburbs of Fresno, California. And with a father so overprotective he's installed video and thermal surveillance down the street, she doesn't get out much. Until the night he disappears.

Following the trail of notes he's left behind, Daria gathers three things: a dark force is hunting her, her father's fled to another world on a cryptic mission, and the only one left to trust is her ex-best friend, Alexander Anderson. other world to find him. And Alexander is the only one who knows how to get there.
