As long as there have been vampires, there has been the Slayer. One girl in the all the world, to find them where they gather and to stop the spread of their evil and the swell of their numbers.

Around Sunnydale, they say a scarecrow saturated with Halloween rain will come alive and slaughter anyone in sight. (Lovely place, Sunnydale.) Buffy's best friends, Xander and Willow, used to think the tale was nonsense -- but after a few adventures with Buffy, they're not so sure.

Even without a maniacal scarecrow, a Sunnydale Halloween is a truly horrific happening. There are enough zombies and vampires about, ready to party hearty and eat some brains, to keep the Slayer and her friends up all night.

And then rain starts to fall....
