The Classic COR/COTR Reference Updated!

Incorporating the most important changes to regulations affecting federal acquisition, this third edition of The COR/COTR Answer Book remains the "go to" reference for CORs, COs, and other acquisition professionals.

Included in this third edition are:

• Updated and expanded coverage of the policies and regulations on government property

• Revised dollar thresholds that comply with the most recent changes

• In-depth coverage of performance-based payments

Coverage of the new FAR rules on COR certification details the elements of this new three-tiered mandatory certification program, along with the requirements on training, experience, and continuous learning.

The easy-to-use question and answer format facilitates quick access to specific information. In this third edition, The COR/COTR Answer Book continues a tradition of trusted service to acquisition professionals carrying out their vital role in contract planning, formation, and administration.
