

The Countdown Begins: Get Ready for the 15th International Conference Iciss 2019 in Hyderabad, India!

The International Conference on Information Systems Security (ICISS) is back for its 15th edition and this time, it's heading to the vibrant city of Hyderabad in India. From December 16th to 20th, 2019, the ICISS 2019 will bring together experts, researchers, and enthusiasts from around the world to explore the latest advancements in information systems security.

With a rich history of successful conferences, ICISS has established itself as one of the premier events in the field of information security. This year's conference promises to be bigger and better than ever before, with a diverse range of topics, renowned keynote speakers, and an opportunity to network with professionals at the top of their game.

Why You Should Attend

Attending the 15th International Conference ICISS 2019 will provide you with countless benefits. First and foremost, it's an opportunity to gain valuable knowledge and insights from some of the brightest minds in the industry. By attending the various sessions and workshops, you'll be able to stay up-to-date with the latest developments in information systems security, ensuring you're at the forefront of the field.

Secondly, the conference provides a unique platform for networking. You'll have the chance to meet and connect with experts, researchers, and fellow enthusiasts from around the world. This opens up possibilities for collaboration, partnerships, and career opportunities. Who knows, you might just meet your next mentor or collaborator at ICISS 2019!

Furthermore, by attending the conference, you'll earn professional credits and certifications that can enhance your career prospects. Many companies and organizations value these certifications when considering candidates for job opportunities or promotions. With a certificate from the prestigious ICISS 2019, you'll have an edge over your peers.

What to Expect

ICISS 2019 will be jam-packed with exciting sessions, workshops, and keynote presentations. The conference will cover a wide range of topics, ensuring there is something for everyone. Some of the key areas that will be explored include:

- Cybersecurity

- Data protection
- Privacy enhancement
- Cryptographic algorithms
- Secure software development
- Network and computer security
- Internet of Things (IoT) security
- Cloud security

These are just a few examples of the topics that will be addressed at the conference. You can expect in-depth discussions, demonstrations, and case studies that will provide practical insights into the latest security trends, challenges, and solutions.

As for the speakers, ICISS 2019 has managed to secure some of the biggest names in the field. From renowned academics to industry experts, the lineup of speakers is truly impressive. Their presentations will not only provide valuable information but also inspire and motivate you to push the boundaries of information systems security.

Exploring Hyderabad

While attending ICISS 2019, why not take some time to explore the magnificent city of Hyderabad? Known for its rich cultural heritage and modern amenities, Hyderabad offers a unique blend of tradition and innovation. Here are some must-visit attractions:

1. The historic Charminar: Marvel at the iconic monument that serves as the symbol of Hyderabad.

2. The majestic Golconda Fort: Explore the architectural marvel and witness the breathtaking views from the top.
3. The serene Hussain Sagar Lake: Take a boat ride and enjoy the tranquility amidst the bustling city.
4. The grand Chowmahalla Palace: Step into the era of the Nizams and witness the opulent lifestyle of the royals.

In addition to these attractions, Hyderabad is also famous for its delicious biryani and traditional arts and crafts. So, don't miss the chance to indulge in the local cuisine and shop for some exquisite souvenirs.

Registration Details

Are you ready to be a part of the 15th International Conference ICISS 2019?

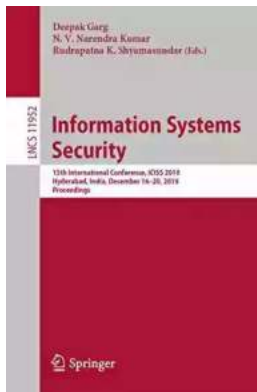

Here are the registration details you need to know:

- Early bird registration: Register before November 1st, 2019, for a discounted rate.
- Regular registration: From November 2nd, 2019, onwards, the regular registration fee applies.
- Student registration: There is a special discounted rate for students. Proof of student status is required.
- Group registration: Bring your colleagues and friends along for a group discount.

Registration can be done online through the official conference website. Make sure to secure your spot early as seats are limited and in high demand.

Don't Miss Out on ICISS 2019!

The countdown to the 15th International Conference ICISS 2019 has begun, and it's an event you don't want to miss. From the latest advancements in information systems security to networking opportunities and exploring the vibrant city of Hyderabad, this conference has it all. So mark your calendars for December 16th to 20th, 2019, and get ready to be a part of this prestigious event. See you there!
