She's the artist that finds him in her drawings. He's the medieval ghost that conquers her heart. And their time is running out.

Michelle De Freccio moves with her dad to England, where she hopes for a more normal life. Instead she discovers a handsome guy appearing all her sketches. When she actually meets him at the town's castle, she's unmistakably drawn to him. But something is definitely not normal. He wears medieval garb, talks of ancient murders, and tends to disappear with a kiss. Could he be a ghost? Could Michelle be losing her mind? Or has she simply uncovered a love so timeless it's spanned the centuries...
