Over 2500 years in the making, "Must Believe In Jesus' Name" will be important to you, if you love your family and are interested in saving planet earth? That is about how much time has passed since the book of Daniel was written, and about 1900 years since John wrote the book of Revelation. At Micah 7:13, God says that mankind will eventually destroy the planet. Revelation 12:18 agrees with Micah 7:13: "the nations were angry, but Your wrath has come for the dead to be judged, and to reward Your servants, prophets and saints, and to reward those who fear Your Name, and to destroy those who destroy the earth." Many scientist agree with the Bible that we have only a short time left to reverse mankind's destruction of the planet. Also, most Christians realize the end times are all around us.

So how do we save Planet Earth? God says that He will send the Prophet Elijah to help save those families willing to stop chasing the American Dream, which has practically destroyed the earth. Elijah's goal is to turn the hearts of fathers to their children, and turn the hearts of children to their fathers before the curse listed in Revelation go into effect: Malachi 4:5, 6. Jesus, at Matthew 17:11, confirms Elijah does come first and restores everything.

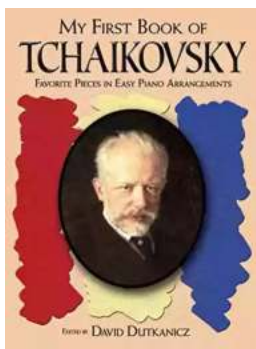

At Revelation 10, John was given a "Little Scroll" to eat. That Little Scroll was a future event, because Revelation was given to John by a revelation, not in the form of a book. On September 13, 2008, God gave the Little Scroll to a certain man who now has published in this Book. The Two Witnesses will preach from this Book. The purpose of the Two Witnesses is to restore families to each other and to God, something the Churches failed to do during the church age. The Book is divided into three sections; 'Sequence of Creation" where God explains the reasoning behind the Creation, how He created our Universe, and the Creation formula, with reference Scriptures. "Main Text" explains why God is not happy with the people of earth, the Jews or the Christian Churches, and the worlds governments. "Opinion Section" is designed to prove or disprove the Main Text, and is the most important part of the Book.

Why a Third Book? Jesus did not clarify everything He said. Then we have the sealed parts of Daniel, and the information inside the Little Scroll of Revelation 10. Much of Daniel and Revelation is imagery, and this needs to be clarified so everyone will have all the truth, so they may be spared from the coming wrath. And with so many Bible translations, without using God's Name, has caused much misunderstanding and confusion, a New Book is necessary. With modern day language it will be easier to understand. I hope this overview will be helpful to all fathers and mothers, that is if you are interested in saving your family. Ricky Eugene Woods, Servant of Yahweh God, and co-worker with Jesus Christ.
