The System Lords and the Twelve Dimensions: New Revelations Concerning the Dimensional Shift of 2012-2250 and the Evolution of Human Angelics builds on the themes that began in Discovering Your Essence Path Book One and Book Two of the Essence Path series. This book provides a more complete analysis of coming Earth changes; the reasons an intensification of energy is coming from the Galactic core and altering our Solar System at this time; the collapse of our dimensional timeline; and how the misguided tampering of DNA, and the agenda towards transhumanism, is actually a bio-invasion of an alien Soul species wishing to incarnate in physical human bodies in the future. The System Lords offers seekers and initiates of profound esoteric mysteries new insights into Soul polarity, the electromagnetic principles of reality manifestation, so-called “extraterrestrial” exchanges, what to expect in the coming Golden Age and an overview of the Dimension’s interaction with Ninth Dimensional Celestial Beings known as the “System Lords”. These higher dimensional Avatars return periodically to our world to incarnate in human form and facilitate momentous leaps in human consciousness at times similar to the one we are now experiencing -- a time that promises to be one of the most monumental periods in the history of the planet.

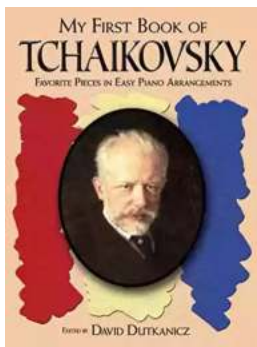

The “EssencePath Book Series”, widely followed by metaphysicians globally, provides new insights into little-known Truths behind a wide range of esoteric topics and mysteries. Discovering Your EssencePath, Book One and Book Two look at the nature of consciousness; The System Lords and the Twelve Dimensions provides a fresh look at the multidimensional structure of the Universe, higher Celestial guidance and the truth behind extraterrestrial visitation; Timeline Collapse and Universal Ascension details the end of the current Third Dimensional space-time wave, with shocking predictions of upcoming world events; and The Samuel Sessions is an extraordinary compilation of spiritual guidance intended to assist one to discover a fuller understanding of the Soul’s

journey. The most recent EssencePath publication, *Wheels of Creation: A Guide to Life After Death, Reincarnation & the Journey of your Soul*, delves into the secrets of life before and after death, as well as the mysteries behind Reincarnation and the Soul's Ascension to higher Universal Dimensions.
