OUR STORY

Traveling has always been a passion of the creator of the Eat Like a Local book series. During Lisa's travels in Malta, instead of tasting what the city offered, she ate at a large fast-food chain. However, she realized that her traveling experience would have been more fulfilling if she had experienced the best of local cuisines. Most would agree that food is one of the most important aspects of a culture. Through her travels, Lisa learned how much locals had to share with tourists, especially about food. Lisa created the Eat Like a Local book series to help connect people with locals which she discovered is a topic that locals are very passionate about sharing. So please join me and: Eat, drink, and explore like a local.
