It's all come down to this.

It's time to stop running.

It's time to make a choice.

Two years ago, Violet Eden walked away from her home, her friends, the Academy, and hardest of all, she walked away from her soul mate, Lincoln. Now Spence is gone, and Violet knows she is the best person to go after him. But doing so means facing everything and everyone she left behind.

Violet must find out who she really is-and exactly what she is capable of-before the abilities the angels gave her are turned against them. She is all that stands between the forces of good and evil.
