Business owners worldwide have always searched for ways to bring more customers through their doors. It's called advertising, and you either pay for it, or you learn how to drive traffic to your business without spending a dime. Google Places is one of those well-kept secrets that successful business owners never want to share with their competitors. Why? It's a free service. It displays your business listing organically (no paid sponsor). Your business is listed on the first page of www.google.com, and it drives traffic to your business 24-hours a day.
