Traveling over 12,000km by train and bus, walking hundreds more, while climbing a few of those in vertical ascent, join Jeff as he reports from the ground up on the greatest socioeconomic transformation ever seen, 21st century China – our planet's soon to be greatest superpower. How will Baba Beijing, China's central government behave, while honoring its 2,200 year old Heavenly Mandate for 20% of the human race?
